
Preface

Anne-Catherine Wagner is sociologist, teaching at Paris I (Sorbonne) and associated with Centre de sociologie de l'éducation et de la culture at École des Hautes Études en Sciences Sociales.

In May—June 1997 Anne-Catherine Wagner visited Sweden within the framework of a French/Swedish exchange program. The paper "Les stratégies transnationales en France" was read at the workshop "Transnational strategies of French and Swedish élites", Stockholm, May 30th 1997, arranged by the Sociology of Education and Culture unit at Stockholm Institute of Education. The paper elaborates the analyses presented in Anne-Catherine Wagner's PhD dissertation *Le jeu du national et de l'international. Les cadres étrangers en France* (EHESS, Paris 1995).
